Companies that generate, transmit, and/or distribute electricity are defined as Class 1 members. Educational Institutions are defined as Class 2 members. Class 3 members are all other members who are not included in Classes 1 or 2. Associate, affiliate, and sponsorship opportunities are only available for Class 3. For more information on becoming a Class 1 member, [click here](#) for membership information. For more information on becoming a Class 2 member, [complete and submit this form](#).
